

II Bio.Naturals Virtual Conference

November 18-19, 2021 | Virtual

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (A non-profit scientific organization) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life science including medicine and other diverse role of science and technology in society.

II Bio.Natural 2021 two-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issue that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of the noble research findings, hospitality and other necessary management for the scientific gathering.
