

III Bio.Natural - Bioactive Natural Products Research Meeting

July 13-14, 2023 | Lisbon, Portugal

Support the event and take the advantage of getting connected with your target audience!

United Scientific Group in collaboration with CBIOS, the Research Center for Biosciences & Health Technologies at Universidade Lusófona organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life science including medicine and other diverse role of science and technology in society.

III Bio.Natural 2023 two-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issue that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

III Bio.Natural 2023 offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of the noble research findings, hospitality and other necessary management for the scientific gathering.
